Don't you
have a plan
or ...

a boyfriend ?

I don't grow
such a thing.

?

You don't
grow one —
I bet rather —

You cannot grow one !
Take a look at yourself
at a mirror !

What's wrong
with my appearance?

You can be unlike
my GF !

Quit bugging
about your GF.

Don't be an idiot.
I look like this only
when I am at home.

ZZZ -

and you?

See, this is how
I'd look when
I am outside

That's not it !

They are just being
cog, that's all.

Do you even
have what it
takes to be
cog at least?!

I simply cannot
watch you go
on like this.
I've got to do
something.

oh oh oh oh

I know these basics.

Quit lying ! If you knew, why are you like that ?!

It's not that, idiot !

You see - !

Hey, dude,
we are here.

?!

What ?

Where are you
going out to dressed
up like that ?!

01202

Leave her be.
She says she has
a plan

I cannot allow
you to go out
with him !

Because he
is my friend !

I know
him !

You are going
out to see him, aren't you !

What's the matter now ?
I came up with the 3 points
you wanted me to have,
boyfriend, a plan,
and shyness.

What !

You ... !

You ... !

You really knew ?!

QA !!

Then why did you
not do it until
now ?!
